

Senior Phase – S5/6 Option Choice Form

Session 2024 -25 (Feb 24)

Pupil Name _____ Reg _____ Date of Interview _____ Career Choice _____

Core subjects which every pupil will continue to study:

Personal and Social Education (1 period)	Physical Education – Performance NQ (1 period)
--	--

When completing your choices below, you must carefully consider the advice you are given at interview. This advice is based on evidence of **specific strengths and potential progression attainment in your Senior Phase** and has been provided by all of your teachers. S5 should choose **ONE** subject from each of the following columns. S6 pupils should choose **FOUR** subjects and a wider achievement subject from the next page (five choices can be made). **All levels are offered unless stated otherwise.**

Column A – 6 periods	Column B – 6 periods	Column C*– 6 periods	Column D – 6 periods	Column E – 6 periods**
English Application of Maths (N4/N5) Childcare & development Lab skills with Forensics Modern Studies Personal finance Physics	Application of Maths Biology Human Biology Maths Photography Physical Education (N4/5/H) RMPS Travel & Tourism	Art (N4/5/H) Chemistry College courses English (N4/5/H) First aid, leadership & well being Geography History Music (N4/5/H) Practical electronics Sports Leader	Business & IT Business Management Chemistry Criminology Excellence in Sports Graphics Music (N4/5/H) Photography Practical Cookery Woodwork	Administration & IT Art College courses Computing Design Human Biology (H) Music Physical Education Sociology

Level	Level	Level	Level	Level

Wider Achievement

SPLT		NASA Sports leader		Powering futures	
MPV		Work experience		Music for wellbeing	
Buddy		Subject Ambassador		SCQF ambassador	
Other (please state):					

Notes

It is expected that you will be continuing with five(S5)/four(S6) subjects that you have shown the greatest progression in. If you are unable to pick any of the options in the Columns A – E then please write what your ideal choice is and this will be considered. Through your tracking and learning conversations, you should be able to state the level that you will be expecting to study at in S5/6. This will be confirmed by your class teacher.

College Courses

The School/College courses are split into Mon/Wed (Col C*) and Tues/Thurs (Col E**). These will need to be applied for separately (and a school back-up subject chosen). The School/College courses are found on p45 and information leaflets are available from your Guidance teacher.

Advanced Highers

The school may be able to run AHs in the following subjects. Please indicate if you would like to be considered for any of them. If there are others you would like to do, please write in the blank box. These will be delivered in other secondary schools in North Ayrshire.

Art & Design		Geography		Other
Biology		Graphic Communication		
Chemistry		Music		
English		Physical Education		
Physics		RMPS		

Leaving

If you are planning on leaving, please tick the box and indicate where you think you are going (at this stage).
