

Harry Potter – Family Learning

So much fun was had by the 14 wizards, witches, and muggles, who attended our Harry Potter Family Event on Thursday 3rd February. We performed magic by making eggs float, tested our Harry Potter knowledge, and put our creative skills to the test by making a golden snitch from a chocolate. We were also treated to fantastic Harry Potter themed cakes from our catering staff.

S1 Football

The S1 football team had their first outing of the season versus a strong Greenwood Academy. Coached by Mr Frew, Miss McConnell, and S5 Pupil CJ Johnston, the pupils battled through strong weather conditions of wind, rain, and hail. Sadly, on this occasion Greenwood got the better of their local rivals. However the goal of the day was scored by Irvine Royal's Logan Hodge and the player of the day was Charley Dickson. Irvine now have Kwinning and Prestwick to play and will be looking to build on this performance.

Parent/Carer Drop-in

Time to Talk

Time to talk day is the Nation's biggest mental health conversation that took place on Thursday 3rd of February 2022. The initiative encourages people to take a moment out of their busy schedules to have a chat about mental health. It is hoped that through discussion we can help to reduce the stigma around mental health, allow people to feel that it is okay not to be okay, and to help those who are struggling to seek the support they need. Staff and pupils within the school took the opportunity to reflect on their own mental health and wellbeing and discussed what supports they would like to see within the school. Staff also enjoyed a hot drink from our fabulous Barista crew.
