

The Room Where It's At

August 2021

Welcome everyone to our first term at "The Room Where It's At". We have had a fun first week getting to know everyone. We have been focusing on literacy, numeracy, art, and health and well being activities.

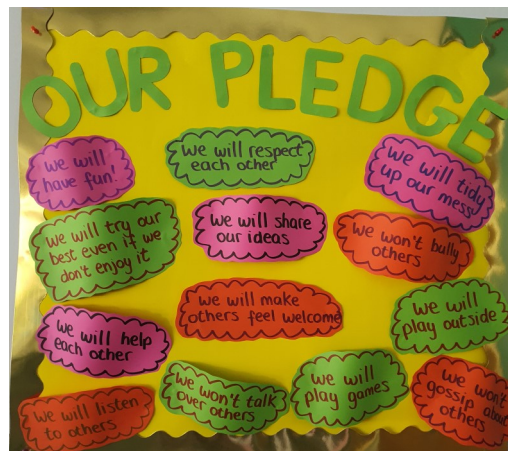

We spend time coming up with names for our new classroom, some of the names we chose were interesting! Rejected names included:

Macaroni Incorporated!

Bruce's Uno Emporium

The Pillow Room.

Once we decided on a name we sat together to make up a pledge for our classroom.

We have been enjoying the good weather. We have been exploring the school's garden, and we made nature palette's to show off the wonderful colours we could find. We have good plans for the garden, we want to plant sunflowers, roses, make bee houses and grow some vegetables such as turnips and potatoes.

We have been playing games outside such as football and volleyball, as well as daily well-being walks around the grounds. We have also been doing some litter picking, ensuring our school stays tidy and helping our environment.

We have started our Bronze Jass Award (Junior Award Scheme for Schools), along with Mr Muirhead and some of his pupils. We are looking at learning a new skill, taking part in an activity, contributing to the local community and having an outdoor adventure. Bike maintenance is one activity we are considering. We will keep you updated with our progress throughout the year.

Our Plans For September

Explore our community further, with walks to local parks and beach.

Visit Eglington Park as part of World Suicide Prevention Day on 10th September 2021 (letter to follow)

Work on our Jass Award

Litter Picking as part of the Eco Group/Jass Award

Continue to work on our skills across the curriculum.

Our teaching staff are Ms. Gibson and Miss O'Neil. Our classroom assistants are Bruce and Tracy.

Our mobile number for our room is 07543 979359. The school office number is 01294 278756. Please feel free to give us a call if you have any questions.

We will be launching our Twitter page soon, where we will be sharing our journey within The Room Where It's At, we will keep you posted when this is active.
