

P.E Kit Expectations

It is your responsibility to bring P.E kit to all lessons. If you have forgotten your P.E kit you need to follow all of the steps below:

1. Tell your P.E teacher straight away you don't have kit
2. Your Teacher will ask you to give a deposit
3. Your Teacher will issue clean / appropriate kit for you to borrow
4. At end of lesson, bring P.E kit back and return to your Teacher
5. Your Teacher will return your deposit

Please see table below for what is accepted as deposits

P.E Kit Expectations

It is your responsibility to bring a full change of P.E kit to all lessons. The reasons you should be getting changed out of school uniform into different P.E kit are:

- ✓ Hygiene – you will be putting lots of effort into your P.E lesson and you will want your clean school uniform to change back into at end of lesson
- ✓ Weather - Some of your P.E lessons will be outside and the Scottish weather is not always predictable and you will want your dry uniform to change back into
- ✓ Damaged - If you are fully participating in your P.E lesson your kit might get dirty or ripped. If this does happen you will want uniform to change into
- ✓ Comfort – all lessons are of a practical nature where we want you to be comfortable and able to fully participate

If you are injured you should still bring kit to change into. Your teacher will find a way of including you in lesson taking into consideration your injury. You may be given the role of referee / timekeeper and will need to be in P.E kit for the same reasons noted above.

Everyone will get changed at end of lesson – regardless of time of day.

Thank you, P.E Department
