

# Classroom Nurture Non - Negotiables

1.

"The classroom offers a safe space"

I feel welcome and safe throughout the school.

2.

"All behaviour is communication"

How we behave tells you how we feel.

3.

"Young people's learning is understood developmentally"

We all learn in different ways.

4.

"Language is a vital means of communication"

The way we speak & the words we use are important.

5.

"The importance of nurture for the development of well-being"

Nurture helps us feel good in our mind & body.

6.

"The importance of transition in young people's lives"

Everyone faces change & nurture can help us cope.
